

School Supply Information
Students Entering Grades 1-3 for September 2023/2024

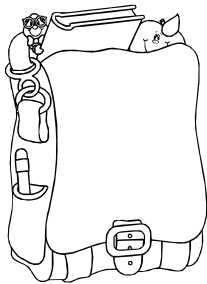

Many years ago Strathcona Christian Academy Elementary School introduced a practice whereby the school purchases the school supplies on behalf of the parents for our grades 1-3 students.

The majority of parents and teachers favored this policy and found it to be very successful. Therefore we will continue to offer this service for the 2023/2024 school year. The fee is **\$60.00/per child**, payable with the other school fees in **September**. This will purchase supplies for the entire year. (This does not apply to upper elementary students, grades 4-6).

An NIV Bible will be provided for every grade 2 & 3 student.

The items students should still bring are:

- 1 backpack/school bag**
- 1 pair of indoor running shoes—non-marking soles please. (NO skateboard, backless, platform or “roller” runners. Runners must be able to be tied or velcro tightly, support the foot and flex properly.)**
- 1 pair of headphones for grade 1 students**
- 1 pair headphones or ear buds for grades 2 & 3 students (*for iPad use to be left at school*)**

PLEASE LABEL THESE ITEMS WITH YOUR CHILD’S NAME!!

**SCHOOL STARTS ON
Thursday, August 31, 2023**
