

School Supply Information Students Entering Kindergarten 2025/2026

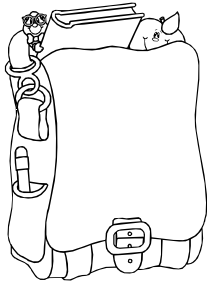

Strathcona Christian Academy Elementary School provides school supplies for our kindergarten students.

The fee for these supplies is **\$32.00/per child**. This will purchase supplies for the entire school year.

This amount will be part of your students' once per year school fee. You will receive more information about payment of this school fee in late **September**.

The items students should bring are:

Backpack

Please ensure the backpack you choose has the capacity to fit a legal-size file folder (8½ x 14), lunch kit, water bottle, library books and outdoor winter clothing.

An example of a suitable size would be the Roots backpack sold at Costco each year. They usually have a 33 to 38L capacity which works well to fit everything needed throughout the year.

Water bottle

Please look for a leakproof, unbreakable water bottle with a spout/straw lid.

Indoor shoes to stay at school (velcro or slip on, preferably no high tops)

Please ensure your child can put their indoor shoes on and take them off independently.

PLEASE LABEL THESE ITEMS WITH YOUR CHILD'S NAME!!
